

***Resolution of the Board of Trustees of the Eurasia Partnership Foundations,
the Europe Foundation and the Caucasus Research and Resource Centers
Adopted the 20th of May 2019 in Tbilisi, Georgia***

Be It Resolved that the Trustees and Management of the Eurasia Partnership Foundations, the Europe Foundation and the Caucasus Research and Resource Centers express their deepest gratitude to Roy Southworth for his many years of dedicated service. As Founding Chairman of all the institutions which comprise our growing family of nonprofits, Roy set us on a successful and sustainable path of action that has materially improved the lives of the citizens of the Caucasus and has strengthened the connections between the nations of the region and the wider world.

With his inimitable combination of humor, pragmatism and generosity, Roy cheered us up in challenging times and spurred us to greater heights amid our successes. We collectively owe Roy a debt we can never repay. The Trustees hereby express the hope that Roy understands the high regard and enduring affection he has engendered among his colleagues and partners and that Roy is aware of the profound gratitude of the innumerable people he has touched with his attention, kindness and generosity over many years.
